## **Biosketch for Jacqueline Green**

Jackie Green is Director, Business Development & Operations for the Pharmacy Quality Alliance, Inc. (PQA, Inc.) In her position, Jackie focuses on new member recruitment, strategic planning, membership communications, and day to day internal operations of PQA.

Jackie previously was a consultant to Mirixa Corporation, a developer of innovative clinical solutions that facilitate pharmacist-based patient care services including medication therapy management (MTM) technology solutions.

Jackie's diverse expertise and creative energy has led her to work with several start-up ventures, including serving as one of the founders of Cornerdrugstore.com, which provided pharmacy internet solutions to independent pharmacies. Jackie also held a similar position at drkoop.com and Time Life Medical.

Jackie knows and understands the needs of community pharmacies and the retail drug channel. She worked with the National Association of Chain Drug Stores (NACDS) in the Pharmacy Affairs division and helped to further develop the NACDS Pharmacy & Technology Conference, as well as work with new supplier members in the pharmacy and technology sectors.

Early in her career, Jackie worked in sales management for Proctor & Gamble and Richardson Vicks. Jackie is a graduate of Trinity College and resides in the Washington, DC with her husband, Davidson Lunger.
