- 10:05-11:05 a.m. Innovation Labs: The Business Case for SDOH*
- 11:10-11:30 a.m. Forum Wrap-up and What's Next

* The laboratories are a hands-on workshop for attendees to ask questions, learn more about innovative practices, discuss strategies for scaling SDOH solutions and identify partnership opportunities with the three thought leaders and other members in the audience. This one-hour session will be an open learning environment and focused on take-home value for attendees. Each thought leader will be in a separate room, and attendees are encouraged to visit as many Labs a time permits.

[Visit PQA's Website for Additional Forum Information and Registration](#)

PQA, the [Pharmacy Quality Alliance](#), is a national quality organization focused on medication safety, adherence and appropriate use. A measure developer, researcher, educator and convener, PQA fosters improvements in medication use that support high-quality care. PQA's SDOH efforts are focused on access to care and expanding pharmacist-provided care. For questions, sponsorship, exhibition or speaking opportunities, contact PQA at events@PQAalliance.org
