

POQA 22
ANNUAL MEETING

May 3–5, 2022

HILTON BALTIMORE INNER HARBOR
BALTIMORE, MD

Welcome

WELCOME TO THE 2022 PQA ANNUAL MEETING!

As your PQA Board Chair, I'm excited to welcome you to the first PQA in-person annual meeting since 2019!

We have an excellent agenda full of industry experts and health care system leaders who will share best practices in quality improvement, and this meeting also offers a healthy dose of fun and the opportunity to catch up with friends. From innovations in patient care, to advancements in technology, and a keen focus on social determinants of health, we've seen positive developments despite tremendous adversity.

PQA is unique because we bring together all stakeholders to work toward one common goal of improving medication use quality, despite the competitive nature of certain sectors. Over the next few days, let's leverage our collective wisdom to best serve patients and offer solutions to improve quality.

From myself, the PQA Board of Directors and staff, we are ecstatic to have you with us in Baltimore!
